

Public Notice of an Air Pollution Permit Application Review

Facility Description.

Alpine Sand LLC, located at SW Corner of WI Hwy 95 and Soppa Road, Arcadia, Trempealeau County, Wisconsin, FID 662029940, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for the construction and initial operation of an industrial sand drying plant, and the operation of an industrial sand processing facility.

Air Pollution Control Construction Permit No. 14-MHR-076

Air Pollution Control Operation Permit No. 662029940-F01, a synthetic minor permit

The existing facility operates under registration permit 662029940-ROPA. After the proposed project, the facility will no longer be eligible for coverage under a registration permit. Notice is also given for the withdrawal of registration operation permit coverage for the facility.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; West Central Region Air Program, LaCrosse Area Office, 3550 Mormon Coulee Road, La Crosse, WI 54601, tel. (608) 785-9170; or contact Michael Ross at (608) 785-9973 or by e-mail at michael.ross@wisconsin.gov. This information is also available for downloading from the Internet at http://dnr.wi.gov/cias/am/amexternal/AM_PermitTrackingSearch.aspx.

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of proposal normally does not have the potential to cause significant adverse environmental or secondary effects. This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can be found on "Air permit public notices" web page located at http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx. Comments should be sent to:

Wisconsin Department of Natural Resources, West Central Region Air Program, LaCrosse Area Office, 3550 Mormon Coulee Road, La Crosse, WI 54601. Attn.: Michael Ross.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1), 285.61(7), and 285.62(5) Wis. Stats., DNR will hold a public hearing to receive public comments on the air pollution control permit application for the construction of the proposed facility modifications. All comments received by DNR on the proposed project will be considered by DNR prior to making its final decision regarding this project.

Notice is further given that the public hearing will be held:

Wednesday, July 15, 2015, 2:00 PM
Riverland Energy Building
N28988 State Highway 93
Arcadia, Wisconsin 54612

All comments received by the DNR at the public hearing, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
